January 2024

Dear Valued Pool Owner,

Welcome to the Spring 2024 pool season! Juliano's Pools would like to extend you an invitation to reserve a time for your pool opening. Please **completely** fill out the enclosed 2024 opening form indicating what date you would like us to open your pool as well as if you would like us to deliver a season's worth of chemicals at the same time. On this form, we kindly ask that you supply your email address as we are pushing forward in an attempt to be 100% paperless. You may mail or securely fax this form to our office (860-872-6639) so our staff can get you scheduled right away. Spots have already begun filling, so please submit your request at your earliest convenience.

JULIANO'S YEARLY SERVICE PLAN PACKAGE!

WHY CHOOSE A SERVICE PLAN?

- 💧 Take away the stress of maintaining your pool from start to finish for the entire pool season!
- 💧 You are truly on vacation at your own resort; we do the work for you!
- 💧 No need to touch your pump, filter, or sanitizer all season!
- 💧 No more confusing water chemistry tests with constant trips to purchase chemicals!
- 💧 Picture perfect pool without the hassle of maintaining it!
- 💧 Extends the life of your interior pool finish!
- 💧 12 equal monthly payments! (April – March)

**UP TO \$500
IN SAVINGS**

INCLUDED IN THE YEARLY PACKAGE:

- **Pool Opening**
- **16, 20 or 26 Weekly Cleaning options with chemicals**
- **Pool Closing**

Spring Clean-Up: \$350 + tax

We are offering a spring cleanup option. This is not included in the standard Yearly Service Plan pricing. Spring cleanup consists of 2 additional 1-hour cleaning sessions scheduled the first week after opening the pool. Price includes chemicals needed at the time of cleaning. We have found that this option enables you to enjoy your pool quicker as it typically takes 3 or more cleanings to get the pool to a swimmable condition.

TWO OF OUR MOST POPULAR UPGRADES!

HEAT PUMP w / INSTALLATION **\$7,000 + tax**

Juliano's Pools heat pumps are the result of over 25 years of continued innovation in energy efficient technology. Our heat pumps are designed, tested and manufactured to be the most efficient, economical heat pumps you can buy.

* Installation includes delivery, ¾" trap rock base, a pre-fabricated non-combustible pad for unit to sit on, and plumbing the unit into your existing filtration equipment. **ELECTRICAL HOOKUP IS NOT INCLUDED IN PRICE.** This unit requires its own dedicated 230V – 50 AMP circuit with service disconnect.

FILTER REPLACEMENT **\$2,750 + tax**

Do you have difficulty vacuuming your pool? Does it seem to take forever to get your pool crystal clear? Maybe it's time to upgrade your filter with a new Sta-Rite System 3 D.E. filter. With this new filter you will practically double the size of the filtration area and get your pool sparkling clear in no time!

NO BUMPING OR BACKWASHING REQUIRED!

Call Juliano's Pools to schedule the replacement of your tired equipment and breathe new life into your swimming pool today! It will make you wish you upgraded years ago!

"Best Filter Ever!"
-Brian Juliano
